

YOUR WEDDING IN STELLENBOSCH MOEDERKERK

1. GENERAL

We share your excitement for your big day that lies ahead. Our prayer is that God will bless your marriage. Enjoy the preparations for the wedding – it's part of the journey! We are glad that you have decided to consider our historic church building for your marriage ceremony. We are the second oldest congregation in South Africa (founded in 1686) and here you will make your marital vows to each other in front of family and friends like many before you. Because we are such a popular church for weddings, we find it necessary to state a few rules and regulations below.

2. BOOKING

Bookings must be done personally or telephonically. **No weddings may be booked on Good Friday, Easter Sunday or Christmas Day.** Your booking will only be final when the form (on pg 3) is completed and sent to the church office via email, the hiring fee has been paid (preferably electronic payment) and the church office has confirmed your booking. Under no circumstances may the time that your ceremony has been booked for be changed without contacting the church office.

3. DURATION OF THE CEREMONY

- 3.1 45 minutes is reserved for the wedding ceremony. After that you have 15 minutes for photos in the church and to remove all décor from the church. Thus you have 60 minutes in total for the ceremony. The church will be opened 60 minutes before the ceremony starts for any logistics like flowers etc (as arranged with the care taker).
- 3.2 If the bride is late, we will have to shorten the ceremony time in order to accommodate the time allocated. The marriage counselor will receive instructions to stay within the time frame.
